2025 Campus Security Report

The College of Court Reporting provides a Campus Security Report as required by the Clery Act and as reported to the U.S. Department of Education. This report is available to all students, prospective students, and the public through the College of Court Reporting website.

The 2025 Campus Safety and Security Survey covers campus security procedures and crime statistics for the year 2024, as well as statistics for the years 2022 and 2023.

The following are the campus security policies and procedures:

- Students, faculty, administrators, etc., are to call 9-1-1 to report criminal actions or other emergencies that occur at 455 West Lincolnway, Suite A, Valparaiso, Indiana, 46385. All reports must be made to the college president or administrator within reason and respect to the safety of all individuals. The administration will proceed as follows:
 - o Alleged criminal actions and emergencies will be reported via the college Website within one week of the occurrence and will protect individual privacy as warranted by federal and state laws.
 - o The director of compliance will update the Campus Security Report annually and will have the report uploaded to the college website within one week of the due date to the U.S. Department of Education.
 - o The following is the list of who students and employees should report criminal offenses for the purposes of making timely warning reports and the annual statistical disclosure:
 - o Jim Bologa, President/Owner
 - o Natalie Kijurna, Director of Compliance/Title IX Coordinator
 - o Mindi Billings, Director of Student Services
 - o Victims or witnesses are encouraged to report crimes on a voluntary, confidential basis. These will be reported in the annual disclosure of crime statistics by protecting the identity of victims or witnesses.

Security and Access

- Only administrators can access the building using a key. Students cannot access the building without the presence of administrators.

Campus Law Enforcement

- The college does not have campus police. The City of Valparaiso Police Department, Indiana State Police, and Porter County Sheriff's Department have enforcement authority and jurisdiction.

Accurate & Prompt Reporting

- The College of Court Reporting highly encourages accurate and prompt reporting of all crimes to the police or sheriff's department.

Voluntary Confidential Reporting Procedures (Pastoral & Professional Counselors)

- The college does not offer any type of counselors. When the victim of a crime elects to, or is unable to, make a report, the college encourages them to seek their own pastoral and/or professional counselor. They should inform the counselor(s) of the procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

Programs

- The college does not have onsite students but urges all to use common sense and encourages students and employees to be responsible for their own security and the security of others.

Monitoring and Recording

- The college does not have student organizations or offsite facilities.
- Students attend online and most do not live locally; therefore, the college does not have a procedure to monitor crimes committed by students. The expectation is that students self-report crimes to the president.

Drugs and Alcohol

- The college discourages the possession, use, and sale of alcoholic beverages and will report any underage drinking to the appropriate authorities.
- The college prohibits the possession, use, and sale of illegal drugs and will report any violation to the appropriate federal or state law enforcement authority.
- An annual drug-use education document is submitted to students. Students are required to read and acknowledge their understanding of the drug-use policy annually by signing and returning the document.

Sexual Assault, Domestic Violence, Dating Violence, and Stalking

- The college does not have onsite students, therefore, does not have a formal program to prevent dating violence, domestic violence, sexual assault, and stalking but will report any of these crimes to the appropriate law enforcement agency.
- The college encourages students to be familiar with programs and campaigns to make them aware of dating violence, domestic violence, sexual assault, and stalking. Students are highly encouraged to report a crime of dating violence, domestic violence, sexual assault, or stalking to their local law enforcement agency. The following must be noted:
 - o The importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order; and
 - o Calling 9-1-1 to report a crime.

Students have the following options:

- o Notify proper law enforcement authorities, including local police; or
 - o Decline to notify such authorities.
- The college will protect the confidentiality of victims and other necessary parties by:
 - o Completing publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personal identifying information about the victim, as defined in section 40002(a)(20) of the Violence Against Women Act of 1994 (42 U.S.C. 13925(a)(20)); and
 - o Maintaining as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures for sexual assault, domestic violence, dating violence, or stalking.

Written notification

- The college will provide victims of crime, including crimes of sexual assault, domestic violence, dating violence and stalking, written notification about support and services available to them including: physical, mental health, and counseling services, victim advocacy services, legal assistance, visa and immigration assistance, student financial aid, help with academic issues that may arise, changes to living situations, help with transportation and employment situations,

supportive measures, protective measures and other services available to victims at the college and in the victim's community.

- The above support and services are available to victims whether or not they choose to report the incident to law enforcement.

Procedures for Disciplinary Action (See regulations for specifics)

- The college will suspend any student or employee accused of alleged dating violence, domestic violence, sexual assault, or stalking with pay until an internal investigation is completed.

Explanations of Rights and Options

- The college will provide a student or an employee a written explanation of the student's or the employee's rights and options if a student or an employee reports that a student or an employee has been a victim of dating violence, domestic violence, sexual assault, or stalking, if the offense occurred on campus.

Sex Offender Registration:

- The following website contains links to sex registry lists:
<https://www.fbi.gov/scams-and-safety/sex-offender-registry>.

Emergency Response & Evacuation:

- Students and employees must use the Exit located nearest to their location in the event of an emergency or evacuation.

Missing Student Notification:

- The college does not have a missing student policy because students live across the country. It is requested that family members of students notify an administrator of the college if there are any occurrences related to the student.
